

My house mate has COVID 19 / Coronavirus and I am staying in the house

(name of housemate) has to stay in their room.

If *(name of housemate)* leaves their room they will have to wear a face mask.

(name of housemate) will have to use their own bathroom.

Staff will have to wear protective clothes.

These clothes might look strange. It might be hard to see their face.

Some of the staff might have to stay at home. This means there might be some different staff. All staff are there to help you.
