Family Leadership -
It's our tent

Family Leadership - Many Tents

1. Single person focus service management
2. Intentional circle of friends
3. Advocacy / engagement / consultation
4. Single issue
5. Disability specific peer support network
6. Local service provision lobby
7. Parents and friends associations
8. Professional national lobbying activism/ support
9. Methodology focused
10. Family education and support

Family Leadership - What it's not

Family Leadership - Needs

When in a meeting and everyone is stuck about what to do about a

- **My picture — My starting point**
 - **Responsive, flexible followership**
 - **Intentional support for Family Leadership**
- ask: Who loves the child. Whatever the answer start there.

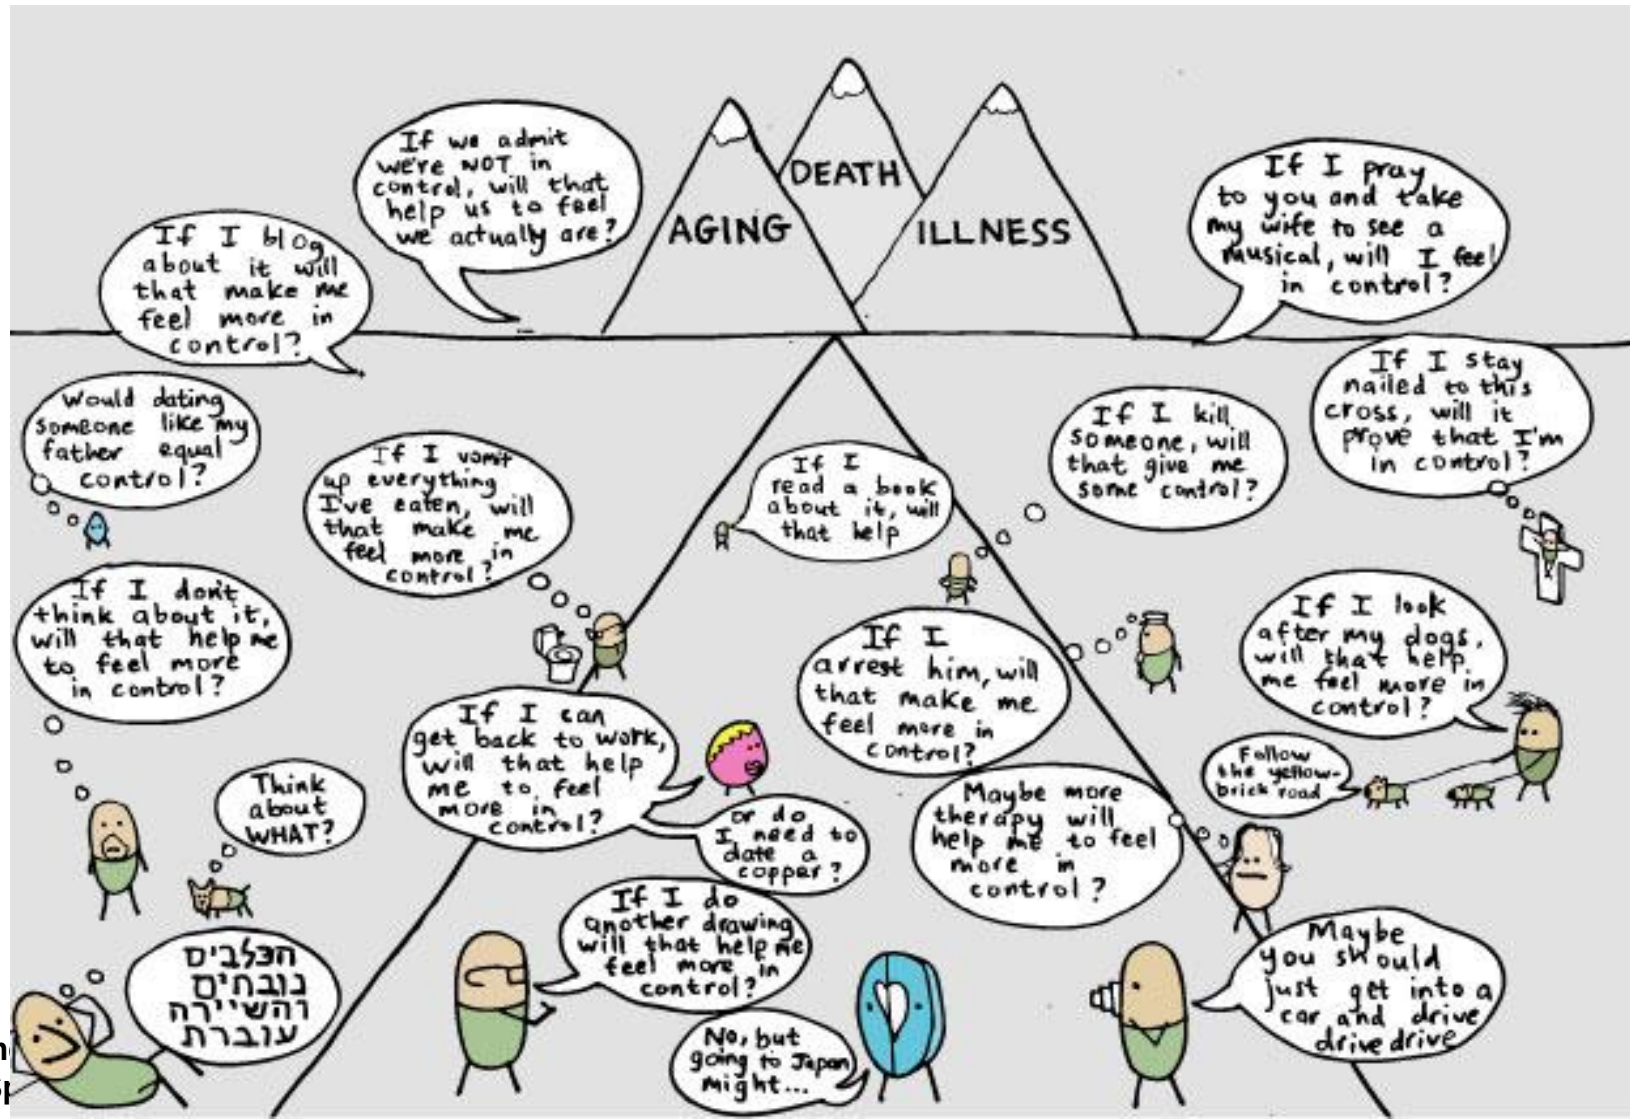

Herb Lovett, 'Learning to Listen'

Family Leadership means that a provider of services or other stakeholder may earn an involvement in decision making that may approach but never attain the status of equality

Family leadership is not for everyone.....?

The New Normal

The logo for Danske Bank, featuring the word "Danske" in white on a dark blue rectangular background, followed by the word "Bank" in dark blue on a white rectangular background.
