- The Gap Between Wanting Good Lives And Being Able To Actually Create Them
- Underestimating What It Takes To Get A Good Life
- The Need To Keep Working At Getting Good Lives

The Challenges In Learning From Others Who Have Done It Well

- Starting A Good Life Is Different From Keeping It Going
- Keeping A Good Life Going Means Paying Attention To What Goes Into Making A Good Life
- It Is Good To Evaluate What Others Have Done To See If It Was Done Well

The Challenges In Learning From Others Who Have Done It Well

- There Is A Need To Learn From Successful Service Users And Families And Not Just From Agencies As To What Goes Into Making a Good Life
- There Is Still More That Irish People Can Learn From Other Places And Countries About Getting Good Lives
- It Is Good To Make A Record Of What We Learn And Share It Widely

Examples Of Some Likely Challenges In Terms Of Participation In The Community

- Participating In The Community Can Be Done Well But Some May Find It Hard To Do It
- Agencies Cannot Do Participation In The Community Except In Partnership With People From The Community
- It Is Hard To Participate In The Community If People Do Not Get Some Help To Do It Well

Examples Of Some Likely Challenges In Terms Of Participation In The Community

- Agencies Cannot Help Community Participation Unless They Get Involved In The Community
- Community People Can Do Most Of What Is Needed For Good Community Participation And Agencies Need To Learn How To Join With Them
- Communities Have Many Different People And Places And Good Community Participation Needs To Be Somewhat Different Each Time It Takes Place

Agencies Changing Themselves So That They Can Help Create Many More Life Choices For People

- Many Agencies May Find It Hard To Close Their Places Where People Live Or Work In Groups
- Many Agencies May Not Want To Give Up Their Out-Of-Date Buildings
- Not All Agencies Care As Much About Helping People Get A Good Life As Others

Agencies Changing Themselves So That They Can Help Create Many More Life Choices For People

- Agencies May Try To Help People Get A Good Life Using Methods And Thinking That Is Out Of Date
- It Is Possible That Many Agencies Will Go Too Fast With Helping People Get Good Lives And Do A Bad Job Of It
- Doing A Good Job In The Beginning Of Helping People Get A Good Life Will Help Will Make It Easier To Do More Of It Because Good Examples Convince People That It Can Be Done Well

Leadership For Creating Good Lives One Person At A Time

- Good lives Will Require Many People Taking The Lead
- Different Kinds Of People Can Take The Lead
- It is Possible That Some People May Do A Bad Job Of Taking The Lead And Make Things Worse
- It Is Also Possible For Many People To Come Together To Take The Lead Towards Helping Good Lives Happen

Leadership For Creating Good Lives One Person At A Time

- People Who Are Able To Take The Lead Can Be Found And Helped To Do It Better
- Many Different Kinds Of People Can Be Helped To Take The Lead Better
- Leaders Need To Get Along With Each Other In Order To Get Things Done
- Ordinary Community People Can Take The Lead In Helping People Get Good Lives
