

# **Using Technology to Support Self Advocacy**

David Fraughen

The National Platform of Self Advocates

Using Technology to support Self Advocacy.

The National Platform of Self Advocates did some research on using an iPad to help people with reading challenges to be more independent.

I will use technology to deliver my presentation.

[Link to presentation.](#)

# Single Case Study

Impact of Technology as a Tool in Supporting  
Self-advocacy

Thank you for listening.

The National Platform of Self Advocates can be contacted through our website.
