

REAL NEED

REAL CHOICE

REAL LIVES

KARE'S Strategic Plan 2009 - 2011

Vision

People with an Intellectual Disability are seen as **EQUALS** and take part in **SOCIETY** along with everyone else

Internal
Vision

Each person who uses our service will be empowered to have **ROLES** and **RELATIONSHIPS** that are valued in the community by December 2011

Mission
and
Values

All people are treated with dignity and respect

People who use our service are supported as individuals to:
Develop and use their abilities
Grow in relationships
Share ordinary places
Have valued social roles
Make choices

Strategic
Priorities

People
know
themselves
well

People
make
a
difference

Working
together to
do things
differently

Strategic
Goals

People who use our service:

- learn from a wide variety of life experiences to know and understand their strengths, abilities, interests and support needs.
- are supported to make choices and understand the potential consequences and risks.
- are understood and can tell others what they want and need.
- are supported to grow and realise their dreams for a good life together with those who are important to them.

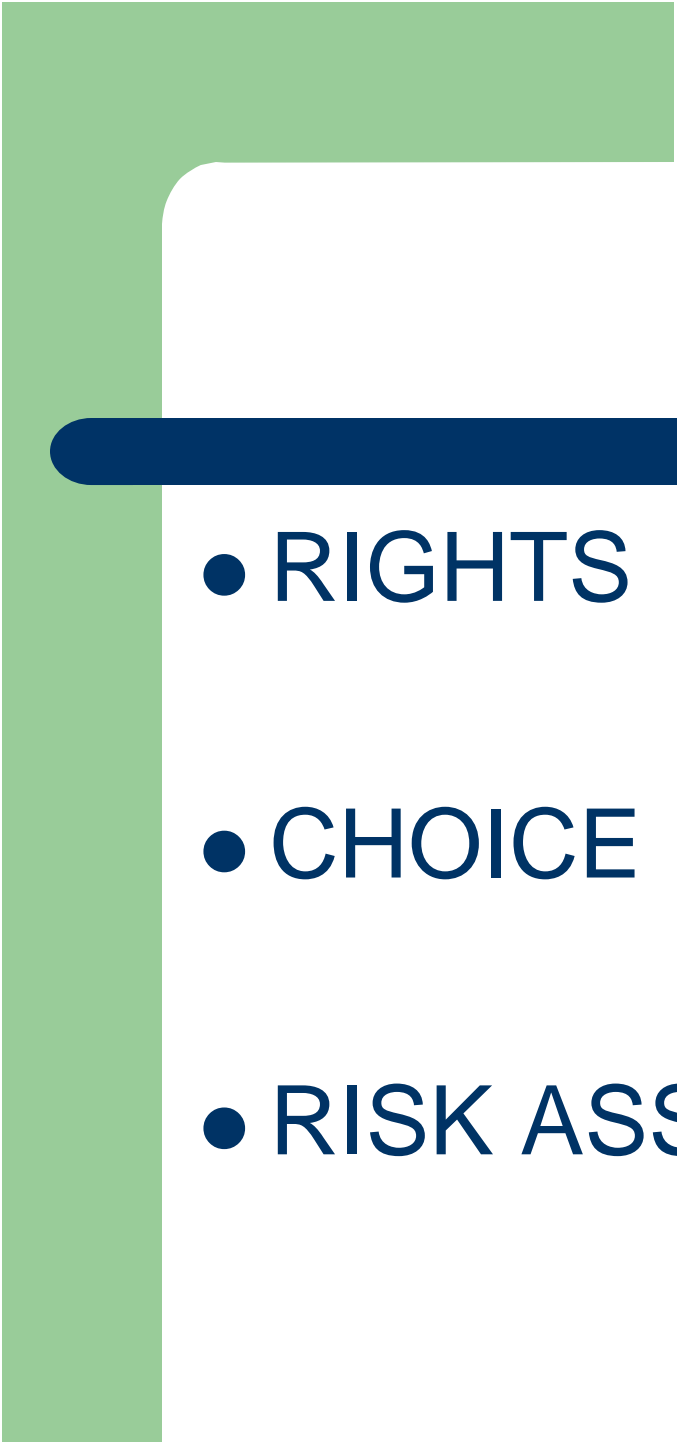

People who use our service:

- are actively involved in and contribute to their family, extended family, neighbourhood and community.
- are supported to develop valued relationships with others in their community.
- along with their families influence how we do things.

People in KARE:

- work together to develop and improve how we facilitate individualised supports for people who use our service
- work together to utilise funding in a way that facilitates individualised supports for people who use our service
- support the development of a better community for all citizens by working with others.
- understand and support our vision and values
